P10 Backpack Vacuum

New lightweight aluminum backpack vacuum with professional 10 quart capacity. Replaces the model P5 with 6 quart capacity. Same powerful motor, filter system and harness support but with larger volume recovery.

Features:

- Two-stage, 1.7HP motor with thermal protection provides powerful suction and guards against overheating.
- Four-stage filtration to ensure clean air exhaust. Drop-in cloth bag (B001229) 10 quart disposable paper bag (B001228)
- Padded harness with handle relieves stress to the body, enhances cleaning performance.
- Aluminum housing is lightweight, yet will withstand years of professional use..
